MESSAGE

It gives me immense pleasure that the Directorate of Coordination Police Wireless under the Ministry of Home Affairs is organizing National conference of "Heads' of Public Protection and Disaster Relief (PPDR) Organizations" on 20th and 21st January 2020 at Vigyan Bhawan, New Delhi.

I am sure that the conference would provide ample opportunity to the Police Telecommunication Officers of States / UT / CAPFs and Disaster Relief Organisations to deliberate various issues relating to advancement of Communication of India. The induction of seamless integration of voice, data and video communication in POLNET 2.0 are some of the areas that require the attention of all those involved in the Public Protection and Disaster Relief area.

The interaction during these two days conference would strengthen the communication system of Police Forces in the country. I extend my best wishes for the conference.
