MESSAGE

I am happy to know that the Directorate of Coordination Police Wireless under aegis of the Ministry of Home Affairs, is organizing national conference of “Heads of Public Protection and Disaster Relief (PPDR) Organizations”, on 20th and 21st January, 2020 at Vigyan Bhawan, New Delhi.

I am happy to learn that the Conference will have sessions on topics such as spectrum management, implementation of 4G LTE for PPDR, security concerns of communication equipments, requirements of space segments for Police & other PPDR agencies, etc.

It is truly noteworthy that senior officers from DoT, WPC, DoS, DRDO and MHA etc. shall participate in the conference and interact with officers of Police and Disaster Relief Agencies.

I also appreciate the Directorate for releasing a “DCPW Souvenir” to mark the occasion.

I am hopeful that the conference will serve as a platform for various stakeholders to engage in open discussions that will lead to the evolution of new paradigms in disaster management.

I convey my good wishes and heartiest greetings to the organizers and participants and wish the conference all success.
